

Patterns, Weaves & Hardware

Rope Halters: Please specify in the form below the color you would like from our chart, two or four knots in the noseband. If you'd like the noseband stitched with paracord, please give the pattern & colors you'd like for noseband, and the size (mini, pony, Arab, Cob, Horse, Full/Warmblood, Draft).

Cow Hitch

"X"

Cobra

Fishtail

Bootlace

I am learning new noseband weaves, will have pictures posted soon. If you have a picture or name of the one you want that is not here, please include in custom order!

Lead Ropes: Please specify in the form below the color you would like from our chart, the length, type of snap (bull, bolt, twist or just a loop) and if you'd like a popper on the end.

Price depends on length & snap.

Crossties: Are adjustable and made of a beautiful four-section weave with ends secured by back braiding. Please specify in the form below the color(s) you'd like from your chart (up to four), and the length of each tie.

Trailer Tie: Are adjustable and made with 550lb paracord in a four section weave with the ends securely back braided. Please specify the color(s) you'd like from our chart (up to four) and the length in the form below.

Bucket Strap: Using 550lb paracord in a four section flat weave, 18" long & non-adjustable. Please specify color(s) you'd like (up to four) from our chart, hardware finish (brass or stainless) in the form below.

Patterns, Weaves & Hardware

Star Knot
(can be made w/5-8 points)

Turkish Knot

Pineapple Knot (coming soon!)

Gaucho

"Half-Round"

Herringbone (square)

Split Reins: Non-adjustable, made of 550lb paracord using a flat three or four section braid. Please specify color(s) you like from our chart (up to four), type of weave (three or four strand), the length of each rein, width, type of end knot (star, Turkish ball, or flat) and the hardware finish (black, stainless, brass or antiqued brass) in the form below.

Loop Reins: Made with 550lb paracord using a four section weave and then transitioning to a round weave. Adjustable and ends are back braided to prevent unweaving. Please specify color(s) you like from your chart (up to four), type of round weave (gaucho, half-round or herringbone), type of knot (Turkish or star), the total length and hardware finish (black, brass, stainless or antiqued brass) in the form below.

Grab Strap: These are made of 550lb paracord, are not adjustable. I use a Turkish knot or star knot on each end of the round braid. Please specify the color(s) you'd like from our chart (up to four), the hardware finish (stainless, brass, antiqued brass or black) and type of knot (Turkish or star) and round weave (herringbone, gaucho or half-round) in the form below.

Wither Strap: Made with 550lb paracord, these are adjustable and made with your choice of a four section flat weave or a round braid (gaucho, half-round, herringbone). Your hardware choices are stainless, black or brass. Choose up to four colors from our charts. Average length is up to 27 inches, but can make longer or shorter upon request.

Patterns, Weaves & Hardware

Patterns

The color pattern for your woven item(s) will depend on how many colors you have chosen, how they are arranged and the type of weave. I always email pictures of samples for you to choose from so that the product turns out like you envisioned.

Hardware Finishes

Black

Brass

Stainless Steel

Antiqued Brass

Availability- if you make a choice of hardware finish that I cannot find for your snap choice, I will email you and discuss other options.

Black: trigger/scissor snaps, conway buckles

Brass: trigger/scissor snaps, conway buckles, panic snaps, twist snaps, bull snap, ect.

Antiqued Brass: trigger/scissor snaps, o-rings

Stainless Steel: trigger/scissor snaps, conway buckles, panic snaps, bull snap, lobster claw, o-rings, ect.
